**A E D**
My heart is overwhelmed with your love
**A E D**
My mind can't grasp the depth of your love
**F#m E/G#**
My soul embraces the love you gave me
**D D/E E**
I know you love me 'cause you set me free

**A**
I Love you, Lord
**E**
I praise your name
**D**
I give you my life
**E**
I am not ashamed

**F#m E D F#m**
What more can I offer than this heart that's filled with your love
**F#m E D E**
What more can I give to you, than the love that you gave me?
