Em **D**
I lay it all out before you

C
Everything I am

Am
Everything I've done

Em **D**
Some of me is broken

C
It looks sort of dirty

Am
I need you to wash over me

G **D/F#**
Make me clean

Em **C**
Wash over me, Wash over me

G **D/F#**
Set me free

Em **Am C**
Wash over me, Wash over me

Em **D**
Let your love surround me

C
Let it overwhelm

Am
Let it overcome

Em **D**
When I am weary

C
And I can't take the pressure

Am
Let your love wash over me

Em D/F# G Em D C
Wash over me, Wash over me
